10:00 am - 3:00 pm MT
11:00 am - 4:00 pm CT
12:00 pm - 5:00 pm ET

Register now for this virtual national conference highlighting the ways intimate partner violence (IPV) risk assessments can enhance community and system responses to survivor safety and accountability for those causing harm.

Hosted by DV RISC, this half-day conference will include national experts and practitioners using risk assessments from first response to post-disposition safety planning and compliance monitoring. Discussion will focus on the importance of collaboration, as well as key planning and implementation strategies.

This training is ideal for professionals committed to enhancing survivor safety and building effective multidisciplinary partnerships. We look forward to strengthening this work together—from risk to response.
