

Racial & Ethnic Disparities Program Assessment Tool (RED Tool) for Treatment Courts

WHAT IS THE RED TOOL?

- As treatment courts strive to advance equity and inclusion to improve access, enhance retention, and improve program satisfaction for their participants, the RED tool is an excellent resource.
- A **FREE** resource designed to help treatment court (TC) professionals **identify and examine areas where racial and ethnic disparities may exist in their programs.**
- Uses open and close-ended questions on:

Court Information

Team Members

Intake

Training

Assessments

Treatment Services

Demographics

Evaluation & Monitoring

- Provides TC teams with an **overall assessment score**, **scores for each section of the assessment**, and **recommendations** to TC on alleviating instances of RED.
